Noteworthy Quotes

Charles Spurgeon(1834-1892): We cannot take a more efficient method for benefiting others than by being earnestly prayerful for ourselves that we may be preserved from sin. Our example will in itself be useful, and our godliness, by putting power into our testimony, will increase the value of every rebuke, exhortation, or encouragement we may utter. Our sin is or will be the church's sorrow, and the way to make all the upright rejoice is to be upright ourselves.

Mission of the Month

Paul & Gerri Briggs, Salt and Light Christian Fellowship, Purdue University.

Despite COVID-19, Paul and Gerri were able to continue with ministry to some of the 8,158 international students from 132 countries of the world that attend Purdue due to Purdue's decision to have in-person classes. Current ministry includes an expository study of the book of Hebrews on Thursdays to both an in-person and online audience as well as creating friendships with these students to allow for opportunities to relay the Gospel to them.
